

INTERIOR
DESIGNERS
OF ALBERTA

Student Membership Requirements At-a-Glance

Student membership is intended for individuals who are enrolled in a post-secondary interior design education program. It offers a means for individuals to become familiar with the profession and professional associations and to interact with practitioners prior to graduation.

Student Members, registered in a CIDA accredited interior design program, by virtue of their IDA membership, also hold Student membership in the Interior Designers of Canada and can avail themselves of the various programs and events designed especially for students.

Applicants must fulfill the following criteria to meet the requirements for Student Membership:

Criteria:

- Enrollment in a post-secondary interior design education program that is recognized by Council
- Payment of annual dues

Application Requirements:

The following items must be attached to an application form:

- Completed application form.
- Proof of current enrollment in educational program; letter of verification from institution, proof of payment of fees or proof of course load.
