

You want to be part of a team that reinforces creative and unconventional development. Your goal is to provide forward-thinking, efficient, sustainable, and long-lasting designs. You want to embrace our vision and our values around our people (learning, growing, having fun), our business (longevity, sustainability, growth), and our community (pride, impact, legacy).

Join our energetic and fast-paced team at Strategic Group, Calgary, as the **Intermediate Interior Designer**. You will create design solutions for commercial tenant improvements and capital projects. Together with the Design Team Lead, you will focus on commercial interior design projects to promote sustainability and longevity.

As our **Intermediate Interior Designer**, you will:

- Be a passionate and creative contributor to promote tenant productivity
- Be an accredited commercial interior designer in a fast-paced environment (5+ years)
- Be a leader in project management with exceptional as-built measurements skills
- Mentor junior designers to encourage the creative process for high-level execution in every design
- Collaborate with the Leasing team to expedite occupancy agreements and reduce vacancy in our building portfolio

We are excited to be named one of Canada's Top 100 Employers! "Our workplace culture embodies our core values," says Chief Executive Officer Riaz Mamdani. "Those values are about learning, growing and having fun." <http://bit.ly/2qTNPJW>

Strategic Group owns, manages and develops office, retail and apartment properties across Canada. Our approach is unconventional and creative while delivering on the fundamentals of real estate. This unconventional and creative approach is reflected in our Mantra: "Creating value others can't by seeing what others don't".

Alberta-based Strategic Group is one of the largest privately-held real estate companies in Canada. Our company is fully integrated, which means we own, manage, lease, develop, re-develop and re-purpose our portfolio on our own, for ourselves. Strategic Group has national reach, with property ownership from Vancouver Island to Atlantic Canada.
