

INTERIOR
DESIGNERS
OF ALBERTA

Student Member

Student membership is intended for individuals who are enrolled in a post-secondary interior design education program. It offers a means for individuals to become familiar with the profession and professional associations and to interact with practitioners prior to graduation.

A Student Member must make application for Membership as a Provisional Member within six months of completion of the current academic year, unless the applicant re-enrolls in a post-secondary interior design education program which is approved by Council.

A Student Member shall not be permitted to use any designation following their name to denote Membership in the Association.

A Student Member is one who meets all of the following criteria:

- is enrolled as a student in a post-secondary interior design education program that is approved by Council
- is of good character and adheres to the ethical standards of the Association, and
- pays, in full, fees, dues or levies in the Association
- A Student Member shall not be permitted to use any designation following their name to denote Membership in the Association.
- A Student Member must make application for Membership as a Provisional Member within six months of completion of the current academic year, unless the applicant re-enrolls in a post-secondary interior design education program which is approved by Council.

Criteria

- Enrollment in a post-secondary interior design education program that is recognized by Council
- Payment of annual dues.

Application Requirements:

The following items must be attached to an application form:

- Completed application form..
- Proof of current enrollment in educational program; letter of verification from institution, proof of payment of fees or proof of course load
